

# SHOW THEME 2023

## Middleton's Country Show

Each year we select a theme that is important to you and helps you connect with your park.

Be inspired by *Middleton's Country Show* and get creative, show off your favourite keep fit activity or let us know how your produce growing is helping towards a healthier lifestyle.

However you want to support our theme and inspire others, please share your ideas and efforts with us on the day.

## THERE'S ALWAYS TIME TO ENTER THE SHOW

### AND LOTS OF EASY WAYS TO DO IT....

Anyone can grow fruit & vegetables at home and kids love to get involved.

Summer radishes are ready to harvest in as little as 4 weeks. You could even grow a radish in an old yoghurt pot!

Other fun and easy to grow veg are beans, peas and beetroot.

Decorated cakes and biscuits are a great way to get creative in the run-up to the show.

Kids can be kept busy during the holidays, perfecting their baking skills for the final entry.

Sunflowers and other garden flowers make impressive displays in the flower arranging category.

If you love crafting but don't have room for another bird box or feeder, enter it in the show.

Afterwards, we'll make sure it's put to use in the park or a local garden via the auction.

## The Great Middleton Park Show

10th September 1-4pm
